ployment amongst educated youth in the State of Madhya Pradesh; and

(b) if so, the steps Government propose to take/have taken so far to check the growing unemployment amongts educated youth of Madhya Pradesh by the end of Eighth Five Year Plan period?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTAION (SHRI GIRIDHAR GARANG) : (a) Provisional estimates made by Planning Commission indicate that unemployment in the country, among the educated and uneducated together, was 18.7 million at the end of March, 1995 against 17.0 million at the beginning of the Eigth Plan. Such estimates have not been made State-wise and separately for the educated persons.

(b) Employment is a thrust area of the Eight Five year Plan. The Plan envisages a strategy for accelerating growth of productive employment opportunities in the country both for the educated as well as the uneducated unemployed on the basis of a faster growth of employment-intensive sectors, sub-sectors and activities. In addition, the special employment scheme of Prime Minister's Rozgar Yojana, which provides self-employment opportunities to the educated unemployed youth, is being implemented in all States including Madhya Pradesh.
